

How to get involved in DHCT

Conserving the past, Enriching the future

Since our foundation in 1960, Dorset Historic Churches Trust has provided more than £1,000,000 through grant aid to over 250 churches and historic buildings from all denominations of the Christian faith. In 2017 we pledged £114,000. We are a registered charity (No 282790) which raises its funding chiefly through the annual sponsored Ride + Stride event in September and from Friends' subscriptions and legacies.

Become a Friend We have a thriving and growing Friends membership of people who wish to offer active support for our objectives. We provide Church Crawls, which offer specialist interpretation of the architecture and stained glass. We also offer lecture lunches on similar topics in the early part of the year. Application forms are available [here](#).

Become a Parish Organiser Help us to recruit riders and striders and assist them to collect sponsorship. Is there a vacancy in your parish? Send a message to postbox@dhct.org.uk or talk to your Deanery Area Rep.

St Peter and St Paul, Blandford Forum

Become a Deanery Area Representative Our Deanery Area Representatives are the links between individual churches who wish to apply for a grant or want to fund-raise for the Trust. Find a most rewarding role in a team whose support for Dorset's historic churches is growing year-on-year. Send a message to postbox@dhct.org.uk or contact someone you know in the Trust.

Details of the Trust and its work can be found at www.dhct.org.uk
